

Attorney Docket No.: 10541-595

Visteon Case No.: V200-0900

DECLARATION/POWER OF ATTORNEY

As an agent for the unavailable inventor, Heather Steiner Brown, Visteon Global Technologies, Inc. claims proprietary interest to the application entitled **ELECTRIC CONTROL FOR AUTOMOBILE HEADLIGHTS**, filed on December 18, 2001, Serial No. 10/025,585.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

POWER OF ATTORNEY: As a named agent, I hereby appoint the registered practitioners associated with the customer number printed below as my attorneys, with full power of substitution and revocation, to prosecute this application and transact all business in the United States Patent and Trademark Office connected therewith, and to act on my behalf before the competent International Authorities in connection with any and all international applications filed by me.
